\*At Quaker Steak & Lube®, the health and safety of our guest are top priorities. As part of our commitment to you, we provide the most current allergen information available from our approved food suppliers on eight common allergens plus gluten and added MSG, so that our guests with food allergies can make informed food selections. Please be aware that during normal kitchen operation involving shared cooking and preparation areas, including common fryer oil, the possibility exists for food items to come in contact with other food products. Due to these circumstances, we are unable to guarantee that any menu item can be completely free of allergens. The nutritional and allergen information disseminated by Quaker Steak & Lube® and/or posted on the Quaker Steak & Lube® website was prepared by Nutritional Information Services (NIS, [www.nistn.com](http://www.nistn.com)). The data contained herein was compiled from nutritional information and ingredient and allergen listings provided by our suppliers and distributors, and by an analysis generated using a software analysis program. The menu items listed herein were examined for the presence of the following allergenic proteins and substances: Eggs, Fish, Milk, MSG, Peanuts, Shellfish, Soy, Sulfites, Tree Nuts, and Wheat. (Be further advised that the designation "Wheat" includes the grains Barley, Malt, Oats, Rye and Triticale.) Quaker Steak & Lube® and NIS assume no responsibility for errors in labeling or changes in the chemical or constituent composition of ingredients or prepared products used in this company's recipes and menu items that are the direct or indirect fault of the suppliers, distributors, and purveyors of said ingredients and products. This information is meant to serve as a guide for personal use. The actual nutritional values may vary from the values listed here due to variations in portion size(s), product preparation, and/or substitution of ingredients. If you have any questions or concerns about this
